To all clubs and federations

Circular n° 4

Ladies and Gentlemen

Attached you will find the booking-form and the brochure for the World Camping Festival 2023. The easiest and preferred way to book is online, which we have already explained in our circular n°3. (www.zaton.hr with booking code **WCF2023**)

However, should your club/federation wish to manage the bookings, please send the attached form to your members.

Upon receipt, please email the completed form to: camping@zaton.hr or to: info@ficc.org

It is mandatory that your member provides his/her current and valid E- mail address on the booking-form as the booking confirmation will be automatically sent to this email address by Zaton Holiday Resort

In order to avoid double bookings, it is important to clarify that your member does not book both, online and via the booking-form.

Cancellation Insurance is not included in the price. We recommend that all participants take out adequate travel insurance to cover cancellation.
